Das Nappy  
Man! Das Nappy

My ex came to me  
Asked me for some dough  
Get her boyfriend out of jail  
So he could come home

Man! Das Nappy

I loaned my friend my car  
So he could take a trip  
When I got it back  
It really looked like s\*\*t

Man! Das Nappy

I grabbed the steering wheel  
My fingers felt like goo  
I tried to clean it off  
Then I thought of you

Man! Das Nappy

Yeah you want to get dressed up  
Put on your fancy shoes  
You put your foot right in  
There's something in there too (Ohhhh!)
