

When You Wish Upon A Star

When you wish upon a star
Makes no difference who you are
Anything your heart desires will come to you

When your heart is in your dream
No request is too extreme
When you wish upon a star as lovers do

Fate is kind she brings to those who love
The sweet fulfillment of their secret longings

Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star your dreams come true
