

Farewell Jim

Sherman Keene

It's time to say goodbye
It's time for you to fly
Way back home
To where you've flown

God's called you to His side
On Angel wings you'll fly
Pain no more
Through that Glorious Door

REFRAIN

You lived your life so well
We were under your spell
We all loved you
And we still do

Your family is all here
We're trying not to fear
That we'll cry
For missing years

And when we think of you
You'll know it when we do
We'll never be apart
You'll live inside our hearts

REFRAIN

FIRST VERSE

Farewell Jim, Farewell Jim
