

Keep On Loving

Sherman Keene

Hello pretty lady it's so good to see you
Are you here alone on this sunny day just right for two
I felt my luck a-changing the minute I saw you
Come on take my hand and smile the way you used to do

Keep on loving
All that you can

People playing in the sunlight is so good to see
I sure like the sunshine feeling when it shines on me
No more cloudy days I see them fade from view
Shadows turn to sunlight the minute I see you

Keep on loving
All that you can

Callow ten ton boat de ban de way
Kissing in the sun
Fa la la la, la la la, la la la, la la la
Loving fun
Callow ten ton boat de ban de way
Just you and I
Fa la la la, la la la, la la la, la la la
Gets me so high

B3 solo
finger-picking

Keep on loving
All that you can

As the big red Sun goes down we're side by side
We don't need the Sun we've got the fire inside
Oh my pretty lady it's so good to hold you
I feel your warmth beside like I used to do

Keep on loving
All that you can

Keep on loving
All that you can
