

Be My Chauffeur

Eddie One-String Jones & Sherman Barry

Sherman & Jane Version

(As sung)

INTRO SOLO

Sherman

I want to be your chauffeur
(You heard me)

I want to be your chauffeur
(Oh yeah)

I want you to ride me
I want you to ride me downtown

You could ride me so easy
Hope you don't turn me down

Jane

I don't want him
I don't want him
To be ride'n eeese girls
To be ride'n eeese girls a-round

Gonna steal me a pistol
Shoot my chauffeur down

I'm gonna let him
I'm gonna let him
Ride me 'round
Ride me 'round this world

If he'll be my little boy
I will be his girl
(girl singin' that one)

Sherman

I want to be your chauffeur
(That's right)
I want to be your chauffeur
I want you to ride me
I want you to ride me downtown

You could ride me so easy
Hope you don't turn me down
